10 Ridiculously Cute Hotel Animals

Macaws. Giraffes. Lemurs. And Swimming Pigs. We're not talking zoo animals here. These adorable guys call hotels home and are more than willing to show guests a little love. Just don't grow too attached!

Pigs at the Grand Isle Resort & Spa, Bahamas

Some pigs love mud. And some pigs love water at least they do at the [Grand Isle Resort & Spa](#), in the Bahamas. If you want to practice your strokes alongside Babe, the hotel will arrange a boat trip to Pig Beach on Big Major Cay, where the adorable swine (yes, they really are cute) live, and love to swim in the ocean with guests. #bucketlist
